

# Our Targets

The Nine Healthy Church Targets offer standards to measure ministry health and success.

In Christ, we have **THREE IDENTITIES** that define us.  
**Worshipper – Family – Missionary**

In the Kingdom, we have **THREE FOUNDATIONS** for belief & practice.

**Scripture – Gospel – Prayer**

In the local church, we have **THREE STRUCTURES** that guide our mission.

**Discipleship – Leadership – Membership**

How well does your church hit the **Nine Healthy Church Targets?**

**Pursuing a culture of  
spiritual renewal in  
Montana!**

**What is the culture of  
your church?**

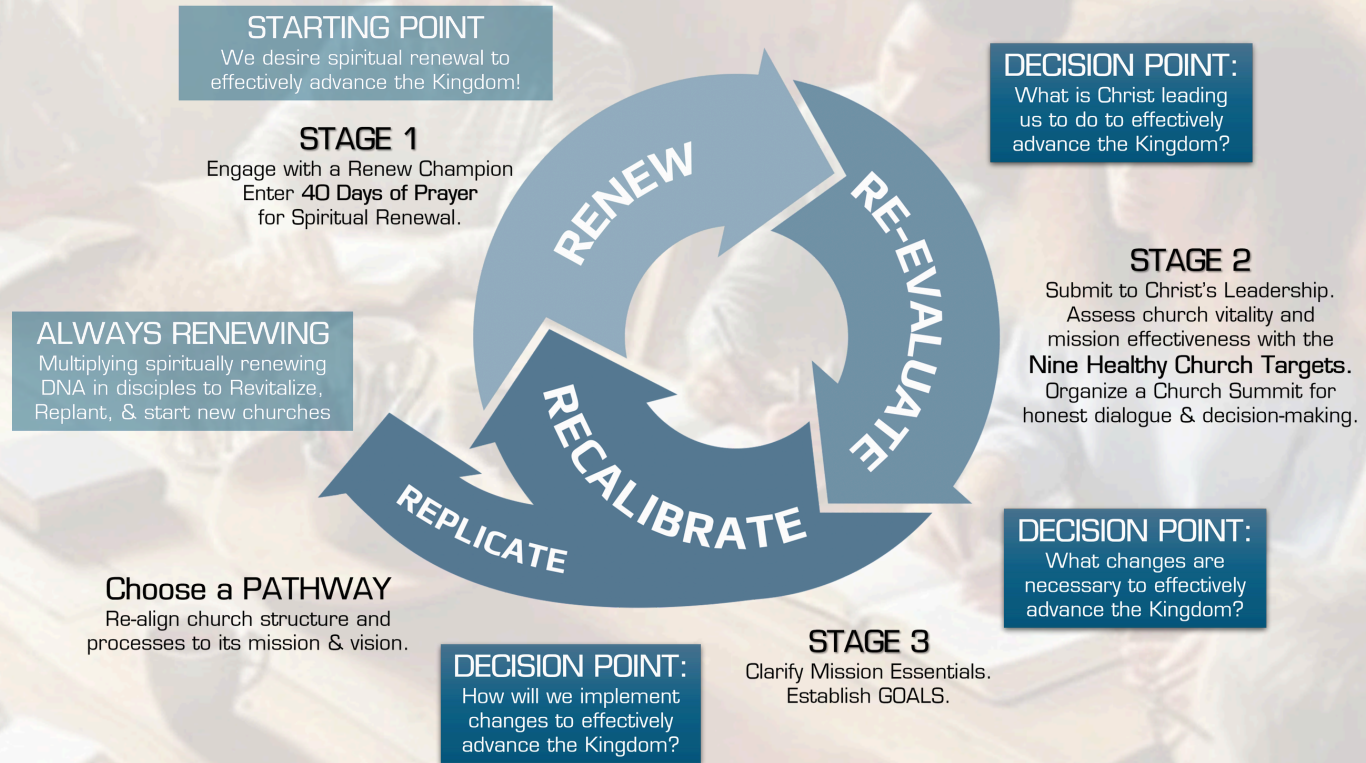

We believe God can transform any church that is fully submitted to Him and unleash them to reshape the spiritual landscape of Montana.

# Our Process

We cultivate a spiritually renewing culture that magnifies Christ to reshape **heart-posture** and **mindset** and unify believers in their God-given mission.

We champion an on-going process of **renewing, re-evaluating, and recalibrating** to see churches **replicating** spiritually renewed disciples for Kingdom advance.

Each stage has a **DECISION POINT**, and the process leads to a Pathway.

## Pathways
